LAPTOP LOAN SCHEME

HOW THE SCHEME HAS HELPED STUDENTS:

I am completing my assignments in half the time and my overall grades have improved as well
- Paula, ARTS

I could not have remained in college without it
- Sinead, ARTS

Made it much less stressful and easy to work on assignments from home
- Rory, Geography

It has helped me tremendously during a time where my laptop broke, and I had no financial means to buy another one
- Eric, Applied Social Studies

It had a huge benefit for me. It allowed me to research, attend online lectures, complete assignments, email tutors and fellow students
