

Coffee Morning in School of Education for the Turkey Earthquake Appeal during Social Justice Week on the 7th March

A spectacular display of treats coupled with Turkish tea and coffee were available to the many colleagues from across the university who visited the School of Education on the 7th March. Not only is our school famous for our educational endeavours but now we can take our place among the most talented bakers in the university.

We are thrilled to share that we raised 2,450 euro on the day. We want to thank all who supported us from across the university, it was such an uplifting event for all and for a great cause.

Our colleague Zerrin has organised to purchase four container homes for families which cost 2,000€. In addition we have donated 450€ to a charity to supply food for three meals a day in the city, Malatya.

The campaign we supported is called #OneRentOneHome.

They provide fully equipped containers of 100 M2, consisting of six parts, these will be allocated to families impacted by the earthquake.

The organising committee for the coffee morning were:
Claire Cullen, from the Centre for Teaching and Learning
Ann Smith, from The Department of Adult and Community Education
Majella Dempsey, Zerrin Doganca Kucuk and Nesrin Raad, from the Department of Education
Laura Lyons, from Froebel Department of Primary and Early Childhood Education
