**Prof. John J. Foxe**

*Kilian J. and Caroline F. Schmitt Chair in Neuroscience,  
University of Rochester Medical Center, New York*

and

**Roundtable discussion on careers in Psychology**

The Department of Psychology at Maynooth University celebrates the twentieth year since its foundation. The first of our events to mark this significant milestone, will be a research showcase in which postgraduates and post-doctoral researchers of the Department will outline their research work in accessible 5 minute presentations. We are also honoured to host invited talks from two eminent scholars in the field.

This is a Free and fully catered event.

Register your interest at <https://psych20.eventbrite.ie/> Places limited.
