Teaching Council - Level 8 Degree Eligibility *:
Before attempting to answer the questions below, you must read the information on the link to the Teaching Council - Level 8 Degree Eligibility. Further Information

I confirm that I have read the `Teaching Council - Level 8 Degree Eligibility` information ☐

1. Are you the holder of a **Level 8 Eligible Degree** OR in the final year of a **Level 8 Eligible Degree**, please click on the following link and refer to the subject(s) you have taken at degree level. ○ Yes ○ No

2. I declare that the subjects taken in my level 8 eligible degree qualification fully satisfy the Post-Primary Subject Criteria for the subjects that I intend to teach. ○ Yes ○ No

3. I have fully completed the on-line Subject Self-Declaration forms in respect of all subjects being claimed by me as being suitable for consideration as part of my Level 8 Degree. I have carefully read the relevant Teaching Council material which enabled me to complete the on-line subject self-declaration forms accurately.
I understand that PAC will not be responsible for checking any of this material on my behalf and that PAC will not be held responsible if an offer of a place is withdrawn because of inaccurate information supplied by me on these subject self-declaration forms or elsewhere. I fully understand that the onus is on **me** to ensure that all questions on the on-line subject self-declaration forms are completed accurately and truthfully and that the Credits/ECTS's section is completed in FULL and that what is being claimed, by me, tallies with college course provision, in all cases.
You should NOT make a false claim or overestimate your degree credits/ects's as this may lead to the withdrawal of an offer of a place later on.
I confirm that I have read and accepted this statement. ○ Yes ○ No

4. If you are offered a place on any of the PME programmes, then PAC will forward data appertaining to your Subject Declaration Forms directly to the Teaching Council on your behalf. The Teaching Council is the professional standards body for teaching in Ireland and it will advise if you meet the requirements for registration set out in the Teaching Council registration regulations. The transfer of this data from The Postgraduate Applications Centre CLG to The Teaching Council on your behalf is necessary to commence your registration with the Teaching Council (i.e. name, contact address, date of birth, gender, PPS number, email address, telephone contact details and a copy of your Subject Declaration Form(s).
I confirm that I have read and accepted this statement. ☐

Subject Declaration Form

(Updated June 2016)

GEOGRAPHY

Note: Questions marked with a * are mandatory.

This Subject Declaration Form allows you to match your degree (and other qualifications if applicable) against the Teaching Council's curricular teaching subject requirements. You must meet the requirements for at least one curricular subject in order to be considered for registration as a teacher, having completed your Professional Master of Education (PME).

A declaration form should be completed by persons applying for entry to the PME.

You should complete a subject declaration form for each subject for which you are seeking Teaching Council registration.

The requirements for the curricular subject **Geography** are set out below.

For details of all other curricular subjects click here

Applicants should note that declarations made on this form will be considered by the PME provider(s) when determining offers of places on the PME. **Any material errors or misleading declarations made on this form may result in the withdrawal by the PME providers of (an offer of) a place or other such action as the PME provider determines appropriate.**

If you are offered a place on the PME, and in accordance with the permission granted by you below, this declaration form will be forwarded to the Teaching Council, the professional standards body for teaching in Ireland, who will advise if you meet the requirements for registration set out in the Teaching Council registration regulations.

Based on this declaration form and your transcripts of undergraduate examination results, the Teaching Council will confirm if, following successful completion of the PME, you will be eligible to register as a teacher and which curricular subject(s) will be recorded on the Register of Teachers.

GEOGRAPHY

*In order to meet the registration requirements set down in the Teaching Council [Registration] Regulations in respect of the curricular subject of Geography, an applicant must meet **all** of the following criteria:*

1.
   a. Applicants must hold a degree-level qualification, with Geography studied up to and including third-year level or higher (or modular equivalent).

   b. The qualifying degree must be equivalent to at least Level 8 on the National Framework of Qualifications (NFQ) and with a minimum pass (*which includes pass by compensation*)

The Professional Masters in Education (PME) is a required qualification for those wishing to work as post-primary school teachers in the Republic of Ireland and a recognised teaching qualification within the EU. The course aims to prepare new entrants for the teaching profession who are subject experts in their chosen discipline, are knowledgeable, creative and reflective about the aims and processes of education and who are professional in all aspects of their work. The 2 year full-time PME programme provides a holistic programme for the preparation of individuals for a career in the teaching profession through the development of critical and analytical skills, creative methods and strategies for teaching and a reflective professional approach to teaching and learning. Students undertake specialised pedagogical studies related to post-primary curriculum subjects from the following set (applicants select one at application as their major subject, where available):

- Business Studies (including Accounting and Economics);
- English;
- Geography;
- History;
- An Ghaeilge;
- Mathematics (including Applied Mathematics);
- Modern Languages (including French, German, Italian, Spanish and other Curricular Languages);
- Music;
- Religious Education;
- Science (including Biology, Chemistry and Physics).

In addition to this, the programme components include:

- Foundation disciplines of education: assessment, inclusive education, history and policy of Irish education, philosophy, sociology, psychology and history of education.
- School Placement modules in each year of the programme undertaken in a post-primary school within a radius of 35 km (one way, 70 km return) from Dublin city centre.
- Research Dissertation completed in Year 2.
