

## National 'Three Minute Thesis' competition

**When: 11:00 - 14:00, November 13th**

**Where: Royal Irish Academy, Dawson Street, Dublin 2**

The National 'Three Minute Thesis'\* competition supports graduate research students in their development as confident research communicators. Participants are challenged to present their research in three minutes, using only one slide, to a non-specialist audience. In this competition entrants must distil their niche subjects and intensive research into bite-sized presentations that will inform and entertain the general public.

We have invited the 8 winners of the individual university competitions to compete in the IUA national final.
