

# ALERT LIST & IMPORTANT DATES

## THE MAYNOOTH EDUCATION – UNDERGRADUATE CURRICULUM

We have further developed the undergraduate curriculum at Maynooth. New initiatives include more opportunities for internships as part of the Experiential Learning programme. New first year Critical Skills courses and second year Electives are also available from 2020 (see p. 10 for details or [maynoothuniversity.ie/maynootheducation](http://maynoothuniversity.ie/maynootheducation)).

## COURSE CHANGES

- > New degree: MH203 BSc Biological and Geographical Sciences. Geography is acceptable to meet the science subject minimum requirement.
- > New subject in Arts: Media & Cultural Studies is now available in Group 6 for students taking MH101 Arts and other related degrees. This subject covers the Media Theory modules from the Media Studies degree. Students will still have to gain access to MH109 BA Media Studies to take the practical aspects of media (radio, TV production).

## CHANGES IN ENTRY REQUIREMENTS

From 2020, students wishing to take Irish or French in the Bachelor of Arts degree MH101 will be required to have a H4 in the respective language. The entry standard to take German and Spanish at intermediate level is also H4. There is a 30 credit beginner option in German and Spanish. A beginner French option is being introduced in 2020.

## QQI LINKS

There are additional QQI links in to the following degrees:

- > MH106 BA Psychology
- > MH203 BSc Biological and Geographical Sciences
- > MH209 BSc Psychology (through Science)

## TRANSFER PATHWAYS

The options to transfer from first year BSc Science (MH201) to second year of specialised science and engineering degrees have been expanded. These are detailed on p. 119.
