

PETE:

**Preparation for Education, Training
& Employment**

Ending homelessness is more than a roof over your head...

- Exiting homelessness sustainably:
 - Rebuild belief & motivation
 - Establish routine
 - Develop relationships, support systems
 - Income!
- PETE: preparation for education, training & employment

*“Shelter
neither solves
homelessness
nor prevents
further
displacement”*

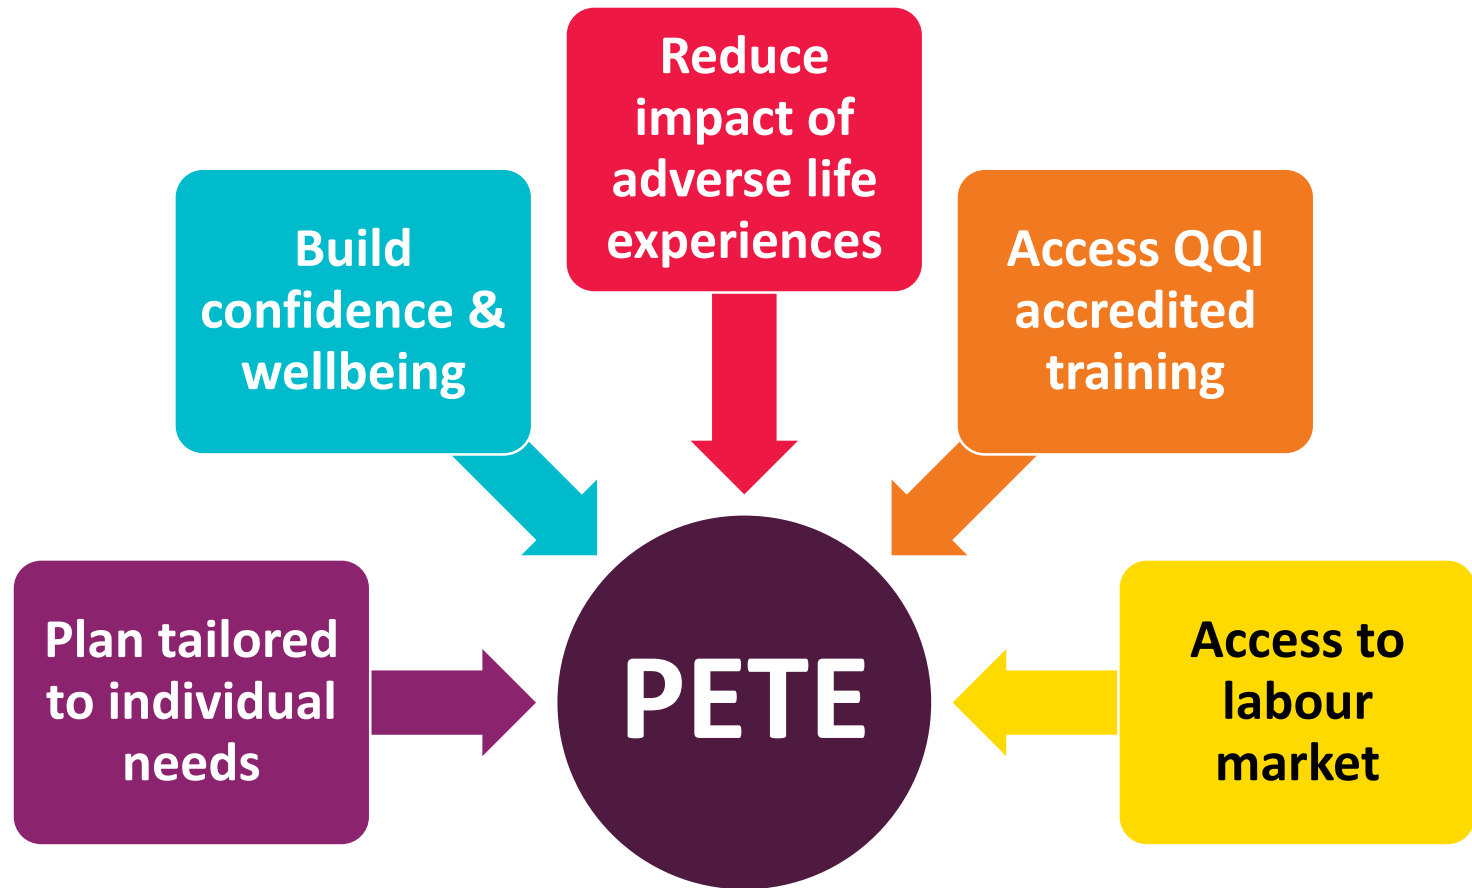

Homelessness and joblessness

3 in 4 people who are homeless are 'prime working age'

- Inability to afford housing a key driver of homelessness
 - 7 in 10 eligible for social housing have no employment income
- 6,480 adults (May 2019)
 - 1,733 families
 - 1,005 lone parents
 - 3,784 children

The PETE model

“When you’ve been homeless, you may have gaps in your CV & you’re afraid to even apply for jobs in case this comes up. They’ve helped us to deal with that in CVs & interviews”

“I can’t wait to come in in the morning. I’ve done stuff here that I would never have thought of...I never thought I would learn”

“We find that once people have started to participate it raises their confidence and starts a momentum”
