**Maynooth University Study Abroad Partner Universities:**  
**ESTIMATED COST OF ATTENDANCE**

Students who decide to study abroad in a Non-EU country will pay only the regular registration fees to Maynooth University and will NOT pay tuition fees to the host university. Students will be responsible for covering the costs for accommodation, health insurance and living costs i.e food, travel etc.

*The following figures are estimates from the university websites and give a rough idea of the costs involved for an entire academic year at each institution. These figures should be used only as a guideline as the costs can vary greatly depending on the colleges respective food plans, insurance policies, books and accommodation types.*

*\*In order to obtain a visa for the US you will be required to show a bank statement with the below amounts to the US Embassy. This can be an account in your own name or a parent/guardian.*

*\*In order to obtain a Canadian study permit you may be required to show a bank statement.*

*\*Medical Insurance is a compulsory requirement for all student studying abroad.*

Although the financial proof may seem unattainable and high, the advantage of attending an international university as an exchange student and paying no tuition fees is immeasurable.
