

MH415 - BSc Economics (Integrated with MSc Economics)

FAQ:

17- What if I change my mind about studying BSc after the first year?

No problem.

In the first year in addition to Economics, you will take two subjects from a variety of disciplines such as Sociology, Philosophy, Computer Science, German and/or Spanish...

At the end of the first year, if – for instance you end up realizing that you enjoy Geography more than Economics, then you can switch to another programme with the CAO code MH101 and choose Geography as your major and keep Economics as a minor.
