For students presenting GCE A Levels the awards are based on achieving points from three/four subjects in GCE A levels.
Entrance Scholars have the option of residing on campus (normal charges apply). Entrance scholars who have not already booked their campus accommodation in May 2020, as normal, will be offered campus accommodation during CAO Round 1 offers. Unfortunately, the University is not in a position to provide on campus accommodation for Entrance Scholars offered places in Round 2 or subsequently, as they are fully booked in Round 1 annually.

We offer Sport Scholarship programmes in GAA, rugby, golf, snooker, basketball and soccer. Other recognised sports may be considered under the scholarship programme for participants competing at a very high level e.g. carded athletes.
