# CYCLING AND DRIVING TO MAYNOOTH UNIVERSITY

## CYCLING

Cycling is one of the most efficient transportation modes to access the University and is ideal for short to moderate journeys. Many staff and students cycle to the University. Bicycle racks are provided in key locations around the campus.

Take junction 7 (signposted Maynooth / Straffan / Naas) off the M4 and follow the signs to Maynooth. Turn left in the centre of the town and the gates to the South Campus are directly ahead of you. To reach the North Campus simply follow the signs in the town.

## CAR

There are approximately 2,000 parking spaces on campus and Maynooth is situated just 25km from Dublin City Centre.

A designated permit parking system operates on the campus during the academic year. Pay and Display spaces are also available.

# TRAVELLING BY TRAIN TO MAYNOOTH UNIVERSITY

## IRISH RAIL AND LUAS

[www.irishrail.ie](http://www.irishrail.ie)

[www.leapcard.ie](http://www.leapcard.ie)

Maynooth lies on the Western Commuter Line which serves the four Dublin City Centre stations (Pearse Station, Tara Street Station, Connolly Station and Docklands) as well as thirteen other suburban stations (Drumcondra, Broombridge, Pelletstown, Ashtown, Navan Road Parkway, Castleknoock, Coolmine, Clonsilla, Hansfield, Dunbooyne, M3 Parkway, Leixlip Confey and Leixlip Louisa Bridge).

Lots of our students and staff take the train every day and they avail of cheaper Leap Card fares.

The Leap Card is a pay-as-you go smart card which saves money versus cash fares on journeys across the city and country.

If you're travelling from the west, the Sligo train line passes through Maynooth to Dublin via Collooney, Ballymote, Boyle, Carrick-on-Shannon, Dromod, Longford, Edgeworthstown, Mullingar, Enfield and Kilcock.

The Luas Broombridge Interconnector links Maynooth to the Red and Green Luas lines.

Information in this booklet correct at time of going to print. Times and stops may change. Contact the transport provider for information.
