

Monday 2nd November 4pm – Maynooth University Psychology Department

Jacob Daar, MSc., BCBA (Southern Illinois University, Carbondale)

An Overview of Applications using ABA and PEAK-ABA

Jacob Daar is a Doctoral student at the Rehabilitation Institute, Southern Illinois University, Carbondale. Previously Jacob was a research assistant in Child and Family Studies, and the Louis de la Parte Florida Mental Health Institute, both at the University of South Florida. He will be speaking to us about applications of ABA and PEAK-ABA.
