### NOTES

1. Physical attendance may not be possible for all classes at all times due to lecturer issues or restrictions on room sizes beyond our control. Please note that we may have to change rooms at short notice but will try to keep this to a minimum.

2. The Placement Project involves a number of steps, including; specified performance in MI6272 Career Planning and Development; successful engagement with Placement staff and Employers. Students on Placement will undertake the module MI675 Placement Project and associated assessment. This module involves a series of workshops (which may include additional days during Semester 2 and Saturday's during the summer semester).

3. The MSc learning experience is supported through a School Research Seminar Series and an Industry Speaker Series. These series are timetabled independently and where it is possible for you to attend, they are highly recommended.

~ Full time students must take these modules.

\* Year 1 of the part-time programme must take these modules.

^ Year 2 of the part-time programme must take these modules.
