### NOTES

1. Physical attendance may not be possible for all classes at all times due to lecturer issues or other government or university restrictions beyond our control. Please note that we may have to change rooms at short notice but will try to keep this to a minimum. Semester 2 timetable will be available in late October 2023.

2. The MSc learning experience is supported through a School Research Seminar Series and an Industry Speaker Series. These series are timetabled independently and where it is possible for you to attend, they are highly recommended.

3. Our Bloomberg room in the TSI building will host part of the classes for some modules

4. Year 1 of the part-time programme students must take FN623 & FN620. Students may choose one of FN621, MI6279 or a second-semester optional module. Any module not taken in year 1 must be taken in the next academic year.
