NOTES

1. Physical attendance may not be possible for all classes at all times due to lecturer issues or restrictions on room sizes beyond our control. Please note that we may have to change rooms at short notice but will try to keep this to a minimum.

2. The MSc learning experience is supported through a School Research Seminar Series and an Industry Speaker Series. These series are timetabled independently and where it is possible for you to attend, they are highly recommended.

3. Year 1 of the part-time programme students must take FN624. Students may choose one FN625 and/or FN626. Any module not taken in year 1 must be taken in the next academic year.

~ Subject to registration pathway - see Programme Director for details
