

Medical Centre

The university Medical Centre is a general practice providing a free service to all students of National University of Ireland, Maynooth. The staff includes a GP, Nurse and Secretary. It is located on the North Campus in the Student Services building (behind the John Hume building).

Hours of Opening:

The Medical Centre is open from 9.30am to 5.00pm Monday to Friday and is closed on Saturday and Sunday. Students can arrange an appointment by telephoning 01-7083878. A doctor is on call for emergencies at all times.. For further information please check our website at www.nuim.ie

Medical Confidentiality:

We take medical confidentiality seriously and are prevented by law from releasing any medical information to third parties without the student's consent.

Medical records are retained in the Medical Centre and do not form part of the

University's student records.
