The Arts Talks

Presentations by Academic Departments:

Monday 15th Sept 2014

Tuesday 16th Sept 2014

Wednesday 17th Sept 2014

Thursday 18th Sept 2014

Students can attend four talks during the period 3pm–5pm on any of the above dates. If you find that you have not been able to attend a talk on a particular subject then the staff of that department will be only too happy to talk to you about their subject.

During your first four weeks you have the opportunity to change your subjects and you may attend lectures in any subject to facilitate your final selection. It is important to make up your mind reasonably soon due to end of semester examinations in January as it can be difficult to make up for lost time.

In the event of **altering your subject choice**, you must notify the Student Records & Registration Office, Humanity House, South Campus before **Friday 17th October, 2014**.

Please refer to the University's course finder (www.maynoothuniversity.ie/courses) for details of the Arts Subjects available on your programme and individual requirements for taking a particular Arts Subject.

MH 101 Students wishing to study law are asked to attend the Department of Law Induction programme which is taking place on campus from 10am-1pm on Friday 19th September 2014. Please consult with the Department of Law during Orientation for further details.
