Maynooth University**

**Points Scoring System 2024**

The basic requirement for entry is an eligible honours Bachelor Degree at level 8. Those who have not yet completed their degree at the time of applying are evaluated on the examination results of the most recently completed academic year (not ERASMUS or equivalent). In the case of degree courses assessed by Grade Point Average (GPA), the most recent cumulative grade point average figure will be the relevant one.

Applicants can be offered places provisional to their being successful in their final degree examination. Applicants who hold an eligible primary degree at the time of application are evaluated on their degree results at level 8.

Points will be awarded on the basis of

- performance in an eligible honours Bachelor Degree at level 8, and
- additional relevant academic qualifications, if any
- relevant professional experience, if any

**Points for academic performances**

The Applications Centre reserves the right to make such determinations, judgements and calculations which it feels appropriate, based on the information in its possession, in assigning points to academic performance results, additional qualifications and professional experience.
