**Location:** **Online via Teams**

Laure DeTymowski

Supervisor: Patrick Bresnihan

**Title:** *"Whose environment, whose city? A critical assessment of environmental justice in South Dublin"*

**Abstract:** The aim of the research project is to examine three environmental projects in South Dublin through the lens of urban environmental justice, asking whose environmental concern, knowledge and expertise are mobilized in the making of the City.

Conchúr Ó Maonaigh.

Supervisor: Alistair Fraser.

**Title:** *Driving the Decarbonising City: The New Dynamics of Transportation in Dublin.*

**Abstract:** Among other challenges, responding to climate change requires efforts in member states of the European Union to decarbonize transportation. The focus of my research is on developments in Dublin's transportation sector.

Jack Callan

Supervisor: Gerry Kearns

**Title:** *Geographies of abortion access in Ireland*

**Sentence abstract:** An investigation of geographies of abortion access brought about by Ireland's liberalisation of abortion laws

**Department of Geography Seminar Series**  
**All are welcome**
