

Name: Niamh Ryder 4th Year BBA Business and Management

Placement Partner Organisation:
Enterprise Ireland

Job Description:

Providing support with all aspects of planning and organising multiple events. Alongside on the day support running the event and with after event analysis.

What I Did:

Start Date: 11th June 2017 **End date:** 25th May 2018

Day to Day I worked on planning events that were upcoming, attending meetings alongside event managers and the events project managers. Following these meetings I would be tasked with creating the registration page for the event. I was lucky to be involved in events taking part in Ireland and across the world. I got to travel to Austin, Texas to help with a stand we had at a Trade Fair and then to Washington D.C to assist with An Taoiseach Luncheon.

Learning Outcomes:

- I got to see many of the different roles within the organisation.
- I received excellent training and an insight into working within an organisation.
