

EXAMINATION PROCEDURES FOR VISITING INTERNATIONAL STUDENTS

Visiting US and ERASMUS Students taking Semester 1 only

Assessment must be completed by the end of the teaching semester. Where a module grade is based on continuous assessment only, no issues arise. Where a module grade is partly or wholly based on an examination, the examination should take place in the final week of the teaching semester. Individual departments are responsible for administering the examination. Departments may decide to replace an examination by an alternative but equivalent assignment due no later than the last day of the semester. Details of the assignment will be provided at the start of the semester.

Visiting US and ERASMUS Students taking either Semester 2 only or full academic year

Assessment will follow **exactly** the procedures applicable to all Maynooth University students.
