Routes:	While there are a number of routes (university based and school based) leading to qualification as a Post-Primary teacher in the UK, in order to be eligible to register with the Irish Teaching Council, it is important that the route you choose provides both an academic qualification, referred to as the Postgraduate/Professional Certificate in Education PGCE (England/Wales) and the Postgraduate Diploma in Education (Scotland) <b>AND</b> Qualified Teacher Status (QTS). For routes into teaching see <a href="http://www.education.gov.uk/get-into-teaching">http://www.education.gov.uk/get-into-teaching</a> and <a href="http://teachinscotland.scot/">http://teachinscotland.scot/</a>
Returning to Ireland	<b>Qualifications gained outside Ireland must be assessed by the Irish Teaching Council and must be similar to standard of qualification/amount of teaching practice hours completed by those completing teacher education in Ireland. From September 2014 there will be significant shortfalls in the comparison of qualifications obtained in the UK versus Irish teacher education qualifications. For further details see <a href="http://www.teachingcouncil.ie/en/Registration/Registration-with-Conditions/">http://www.teachingcouncil.ie/en/Registration/Registration-with-Conditions/</a> and contact <a href="mailto:info@teachingcouncil.ie">info@teachingcouncil.ie</a></b>
