

Maynooth University Subject Choices & Welcome Week Schedules 2017

**Ollscoil
Mhá Nuad**
Ollscoil na hÉireann
Má Nuad

Welcome to Maynooth University.

Fáilte chuig Ollscoil Mhá Nuad.

Dear Student,

I would like to welcome you to Maynooth University and congratulate you on your choice to study with us. We are excited to have you join the Maynooth community and we look forward to welcoming you to campus as you begin your Maynooth journey.

Maynooth University has been Ireland's fastest growing university for the last decade and our reputation has been built on quality teaching and research. We also pride ourselves on fostering a community of approachable and supportive staff and we aim to make your student experience at Maynooth a truly outstanding experience.

This guide to your New Student Orientation Programme is to help you get started. It provides practical information about what to do before you start, about our Orientation Programme and Welcome Week and other details to help you settle into university life.

For those students who have subject choices to make as part of their degree programme there are Subject Information Talks on Thursday 7th September and Friday 8th September. These sessions will help you to choose the subject you wish to study.

Welcome Week will guide you through the practical side of university life introducing you to our Student Support Services, Your Maynooth Education and Your Maynooth Experience as well as offering Library and Campus Tours.

There is a lot to learn and much to be discovered on your Maynooth journey and we hope that this guide and your Welcome Week will be a good starting place for that endeavour.

I wish you all the best in your transition to Maynooth University and I hope you find your time with us as rewarding and beneficial as we know it can be.

Dr Alison Hood.
Dean of Teaching and Learning.

This booklet will guide you through your first couple of weeks at Maynooth University. The booklet contains details of your Subject Information Talks & Welcome Week schedule and a map to help you find your way around the campus.

Please contact us if you have any suggestions as to how we can improve this publication. Email orientation@mu.ie

Make sure to follow our website and social media channels for updates on the Subject Talks, Welcome Week and campaigns throughout the year (see below).

Subject Information Talks -

Thursday, 7th & Friday, 8th September

Presentations by Academic Departments:

To help you make your subject choices there are Subject Information Talks on Thursday, 7th and Friday, 8th September.

Details of the schedule for the Arts / Social Science talks are on pages 6 to 9 and on page 10 for the Science talks.

Check the map of the campus on page 48 or our website for a full list of classroom locations on campus:
www.maynoothuniversity.ie/campus-life/campus-map

Tips for choosing your Subjects

The Subject Information Talks will help you to select the subjects you wish to study. Please see page 11 for some of our tips in choosing your subjects.

If you find that you have not been able to attend a talk on a particular subject then the staff of that department will be only too happy to talk to you about their subject. Department contact details can be found on pages 13-15.

MH101 students wishing to study law are asked to attend the Department of Law Induction programme which is taking place on campus from 5 pm - 7 pm on Tuesday 12th September 2017. Please consult with the Department of Law for further details.

Changing your Subjects

During your first four weeks you have the opportunity to change your subjects and you may attend lectures in any subject to facilitate your final selection.

It is important to make up your mind reasonably soon due to in class assignments and continuous assessment as well as end of semester examinations in January as it can be difficult to make up for lost time.

Students wishing to change subjects can do so on-line. Details on how to do this can be found on the Student Records & Registration Office webpages: www.maynoothuniversity.ie/records.

Join us at one of the "Choosing your Subjects" sessions on Thursday, 7th & Friday, 8th September to learn more about your programme choices, including the subjects you can combine for your degree, and other exciting opportunities available to help you shape your programme during your time at Maynooth University. (See Page 12 for Programme Advisory Office contact details)

The deadline for 1st Year change of subject is Friday, 13th October 2017.

Please refer to the University's course finder (www.maynoothuniversity.ie/courses) for details of the subjects available on your programme and individual requirements for taking a particular subject.

Top Tips for Choosing your Subjects

Before coming to Maynooth

- Once you have accepted your CAO offer to come to Maynooth review and research your course choice including course content on course finder: <https://www.maynoothuniversity.ie/study-maynooth/undergraduate-studies/courses>
- Consult Department Websites as a way to get a feel for a potential subject.
- Reflect on what interests you. Ask yourself questions such as: Why did I choose this subject in the first place? Is it selected by me or by someone else? What are my strengths? Does the subject interest me? What kind of occupation could I pursue with this subject? Could I see myself doing this for years to come?

Subject Information Talks & During Welcome Week

- Go to as many subject information talks as you can to optimise your choices.
- Talk to various departments and staff to enquire about subjects that interest you.
- Seek out students who are currently studying the same programme or who have graduated from the same programme. Meet and ask them questions about their coursework, career hopes, and experiences.
- Talk to the Programme Advisory Office about your programme choices and subject options.
- Talk to the Career Development Centre about your subject choices and potential career implications.

Change of Mind

- You can change your subject choices up until Friday, 13th October (free of charge) BUT remember to use this 4 week window wisely.
- Get the timetable of the subjects / modules that you are interested in (www.maynoothuniversity.ie/exams/academic-examination-timetable).
- If you still have queries in relation to the subjects or are still unsure as to your final choices, consult with the relevant department(s) and the Programme Advisory Office anytime (See page 12 for contact details).
- If you do want to make any changes, they can be done on-line via the registration amendment facility which can be accessed by logging in to the Student Web: <https://studentweb.nuim.ie>
- Please try and avoid making changes to your subjects at the last minute without previously attending the lectures of the relevant subject you are moving to.

Please Remember:

Subjects are taught from day one of the commencement of lectures, so the later you leave it to firm up your choices, the more of a subject you may miss.

Planning your 1st Year Key Contacts

Programme Advisory Office

The Programme Advisory Office is available to assist and advise students including incoming first year students with programme related decisions you may be unsure about. Incoming first years will be briefed by the Programme Advisor during the Subject Information Talks and Welcome Week about programme choices you will be asked to make during your academic journey at Maynooth University.

For more details see:

Website: www.maynoothuniversity.ie/programme-advisory-office
Email: programme.choices@mu.ie
Tel: +353 1 474 7428

Experiential Learning Office

The new Experiential Learning Office aims to embed and grow experiential learning for undergraduate students, enabling the development of transformative learning experiences that enhance academic learning, integrate theory and practice, and promote professional development and active citizenship.

The office will facilitate the enhancement of student opportunities in the areas of professional development and employability, undergraduate research, and community based service learning.

For more details see:

Website: www.maynoothuniversity.ie/dean-teaching-learning
Email: aisling.flynn@mu.ie
Tel: + 353 1 474 7760

Critical Skills

At third level it is expected that students will develop skills that will not only enable you to successfully negotiate your university experience but which will also help you in other areas of your life.

Our Critical Skills Courses are designed to develop these skills early in your university experience. These courses are available as a first year subject.

Welcome Week is part of our New Student Orientation Programme, which is made up of a number of different sessions to introduce you to University life.

Registration is where you formally become a student of Maynooth University.

The following is a quick overview of the sessions that take place before lectures start:

Subject Information Talks (7th & 8th September)

To help you make your subject choices there are Subject Information Talks on Thursday, 7th and Friday, 8th September. Details of the schedule for the Arts / Social Science talks are on pages 6 to 9 and on page 10 for the Science talks.

For advice around your programme choices and subject options please attend a "Choosing Your Subjects" session during these days. These sessions will help you to choose your subjects

President's Welcome

The President of Maynooth University, Professor Philip Nolan, addresses all First Year students to welcome you to Maynooth and to wish you well in your studies and in all aspects of your student life.

Registration

This is where you formally become a student of the University. You will be required to register and pay your fees online via the Maynooth University Student Web. You will receive an email to the email address you supplied to the CAO with detailed instructions on how to register and pay your fees. This email will be issued by the Student Records & Registration Office.

You will also be required to come to campus to attend a series of Welcome Week events and Registration Verification where the Student Records & Registration Staff will check to ensure you have registered correctly and will issue your student card.

You will be assigned to a particular group for Welcome Week and registration verification, details of which will be specified in the email you will receive about registration and in this handbook.

NOTE: Payment of fees alone does not constitute registration.

Your Maynooth Education

You will be given an introduction to the student journey at Maynooth University and the programme choices you will be asked to make during your time with us, including information on our exciting Critical Skills subject.

Your Maynooth Experience

The new Experiential Learning Office aims to embed and grow experiential learning for undergraduate students, enabling the development of transformative learning experiences that enhance academic learning, integrate theory and practice, and promote professional development and active citizenship.

The office will facilitate the enhancement of student opportunities in the areas of professional development and employability, undergraduate research, and community based service learning.

Discover the range of opportunities available to you outside of the classroom including the co-curriculum, environment, language, culture, leadership, volunteering, clubs and societies.

Welcome to your Programme of Study

Get your first glimpse of your academic programme which will be introduced by a member of the academic staff. It is important that you attend this session as it will help you with subject choices you may need to make.

Welcome Week & Registration (continued)

Library Orientation & Campus Tour

Discover the 450,000 books, 400,000 eBooks, electronic resources, laptops/ kindle readers for loan and many other free services available to you in the Library. Learn how to save time and get ahead during this session! Then enjoy a tour of the North and South Campuses to help you find your way around. Your guides will be current students who will show you all the important places!

Planning your 1st Year

Planning for success. Begin to plan for your first year in University including the practical elements of the academic journey as well as advice from the Career Development Centre around your subject choices in terms of future careers.

Getting Started with Your Learning

Get an overview and practical advice on the academic resources and the technology which will be an everyday part of your student life and learning... computer facilities, library and Moodle. Moodle is an online virtual learning environment for students and staff at Maynooth University which supports your studies.

Your Well-being: Student Support Services

Where is the College Doctor? Money worries? College getting a bit daunting? Meet the people and find out about the services that are available to you on campus to deal with whatever issue you may encounter.

Meet Your Students Union

Meet representatives of the Maynooth Students' Union (MSU). The aim of MSU is to promote, defend and advance the interests of its members. Find out more about the services that they provide for their members, the wide range of on-campus events that they organise as well as how to get involved with the SU.

Services Expo

Located in the Library, key campus facilities, services and learning supports will be available to students to deal with any queries or issues regarding your transition to University.

International Students (Full Degree Program)

You should follow your specific degree group schedule.

Study Abroad Students Erasmus Students

Whether you are here for 1 or 2 semesters please follow Group 21 on Tuesday, Wednesday and Thursday.

Transfer Students Occasional Students

Please follow Group 2 on Monday, 11th and Tuesday, 12th September.

Note: You can park in any Maynooth University staff, student or multi-permit area until 18th September without having a parking permit.

Find your Welcome Week Group

You are assigned to a group based on your course.

Arts Students (MH101) and Science Students (MH201) will be assigned to their respective groups via an email from the Student Records & Registration Office with the registration details.

Attendance at Welcome Week is compulsory for ALL NEW First Year Students and each student is expected to attend on their assigned days. For updates on the schedules please check our New Student Orientation website: www.maynoothuniversity.ie/mymaynooth2017

Kilkenny Campus (MH901 Students) Information

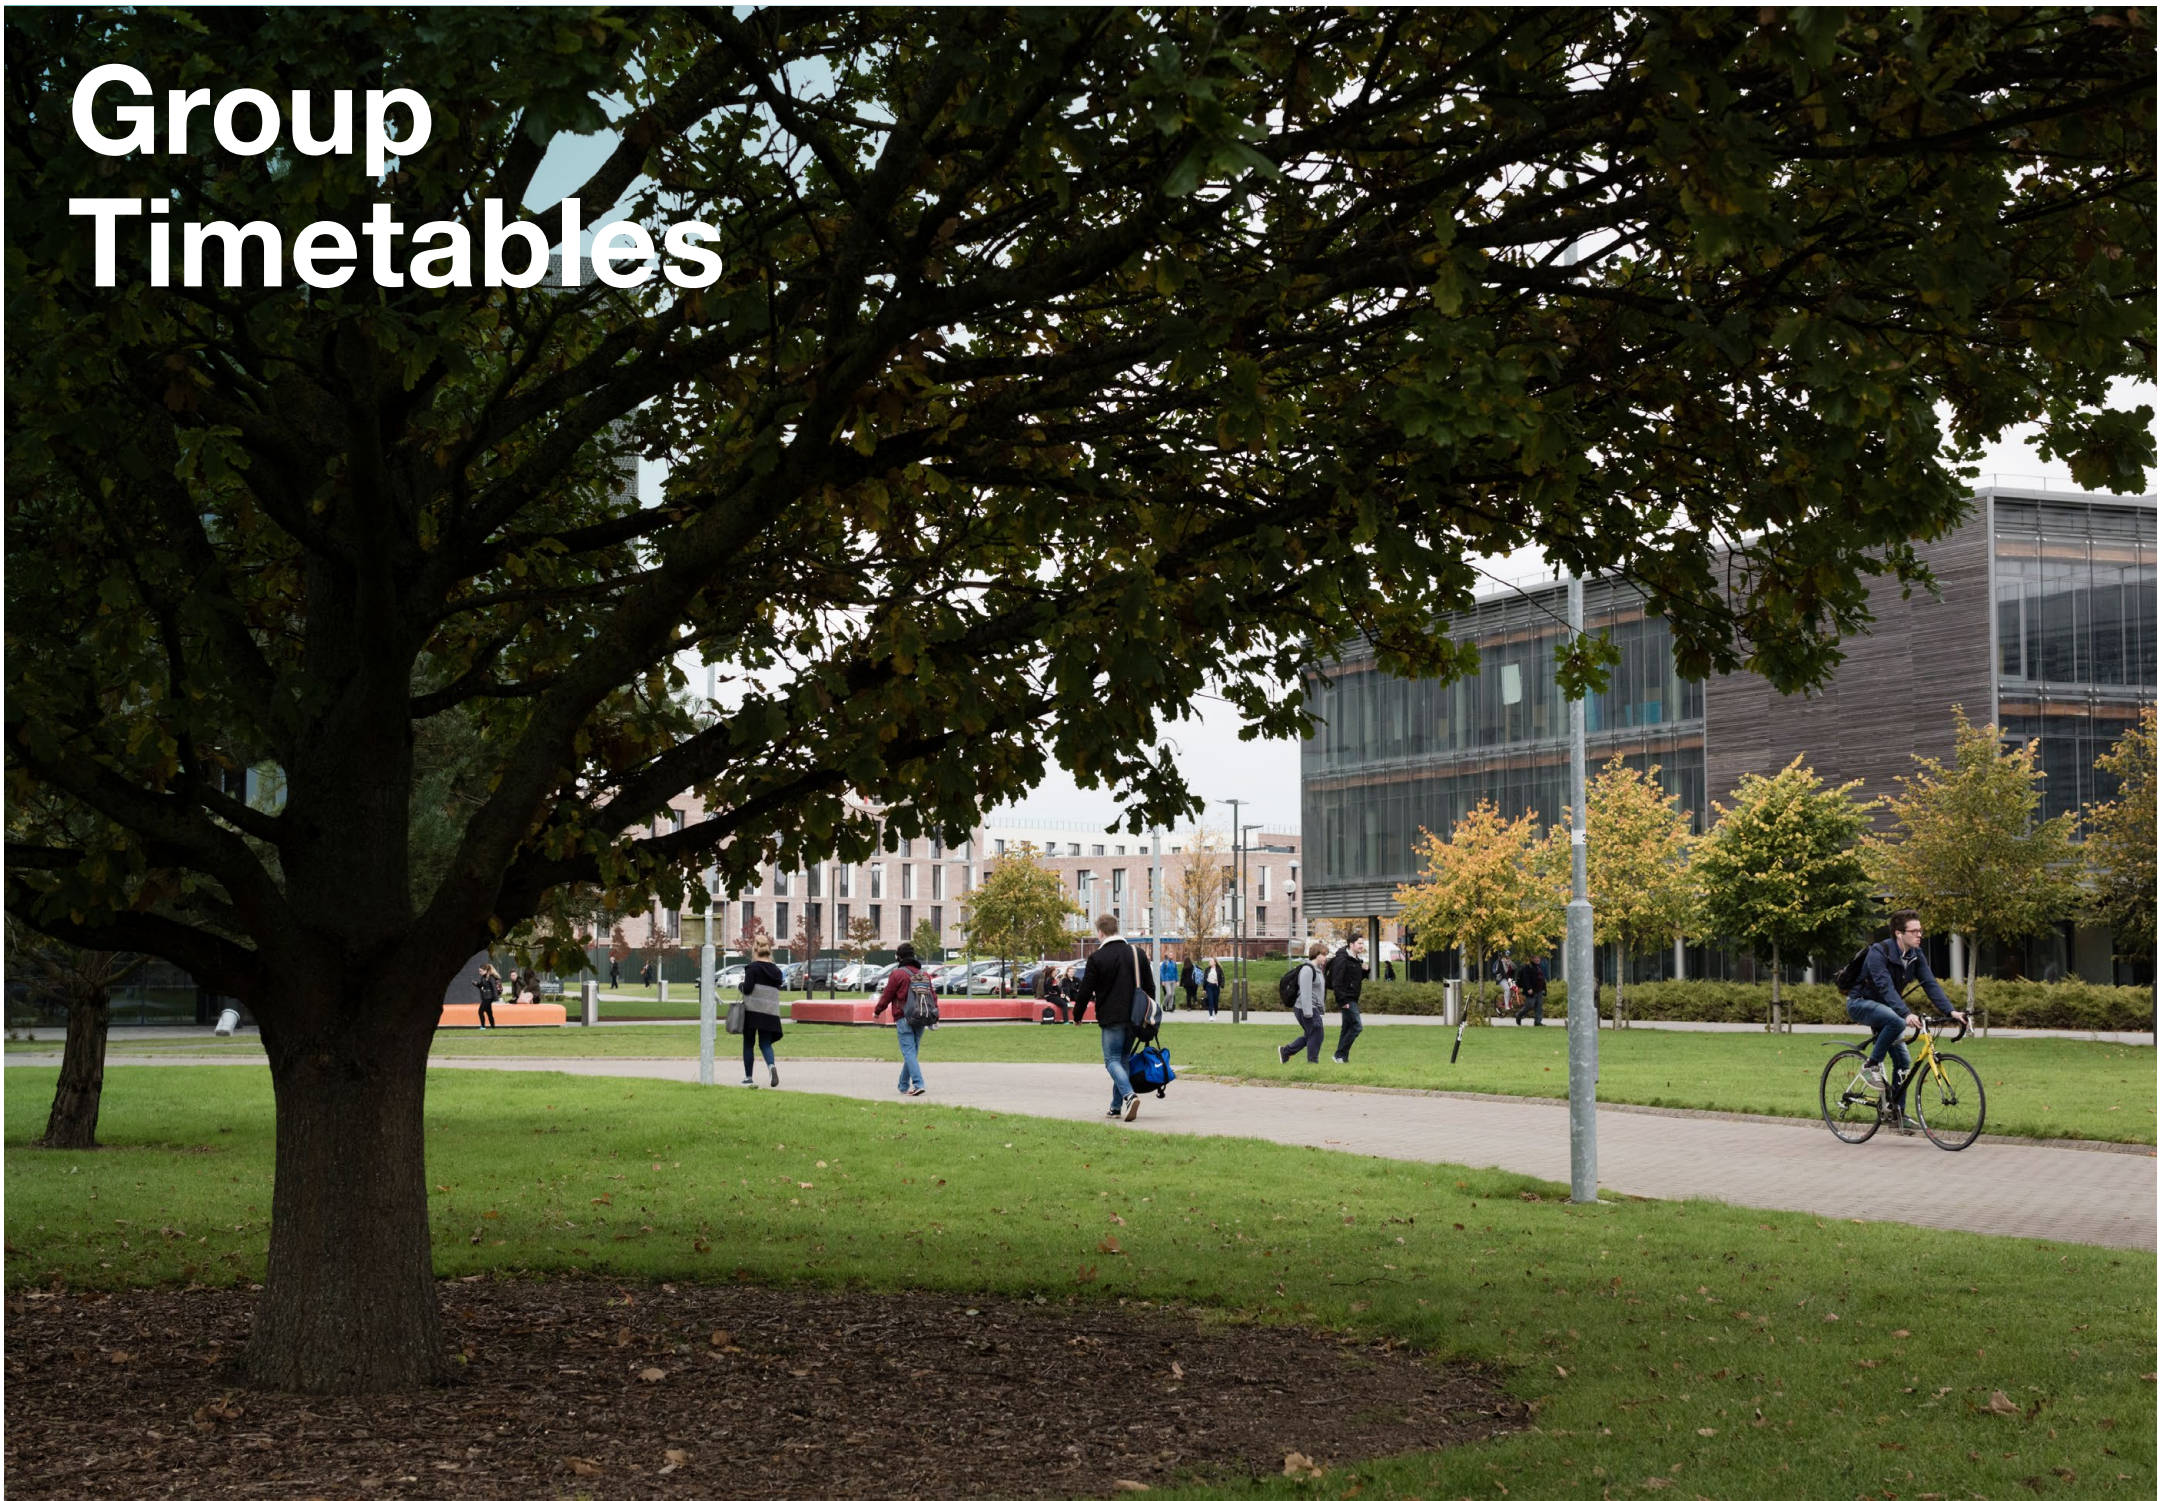

All new students of MH901 (First Arts Kilkenny) will attend a two day Orientation programme on Maynooth University's Kilkenny Campus on Friday 8th September and Tuesday 13th September from 9.00 until 4.00 pm each day.

These days will help you to get to know the Kilkenny Campus, your fellow students, the subjects you can study and we will answer all your questions about the year ahead!

On Monday September 11th all the Kilkenny First Arts students (MH901) will attend Orientation and registration sessions on the main campus so you can get to know your way around, find out about the services available to you and get more information on how great it is to be a part of Maynooth University.

We can't wait to meet you all!
The Kilkenny First Arts Team
