### **About the Event**

We are very happy to announce that the next event in the School of Business’ Industry Speaker Series will take the form of a panel discussion on ‘Women-In-Tech & FinTech Innovations ’.

We will have from Prepaid Financial Services; Valerie Moran Head of Operations & Client Relations & Top 10 UK Woman Entrepreneur 2019, Noel Moran CEO, Marie O’Riordan PR Manager & Communications Manager & Steven Dillon Head of Software Development. The panel discussion will be offering their tips and advice on:

- Diversity
- Inclusion
- Women-In-Tech & FinTech Innovations

All are welcome to attend but we ask that you please RSVP to [business@mu.ie](mailto:business@mu.ie) to secure your place.

Valerie’s company PFS counting down to an IPO, employs **57.6% Women-In-Tech** and **43.2% Ethnic Minorities** – industry-leading figures.
