

The 2016-17 Geography Seminar Series (updated list)

We have an exciting seminar series lined up for the academic year 2016-17, with a fantastic range of speakers. Please make a note of the following dates in your diaries.

Semester One:

Oct 27. **Philip Lawton**, Lecturer, Department of Geography, Maynooth University. Talk title: "Suburbanization and Gentrification: Synthesis, Complexities and The Importance of Residential Differentiation."

Nov 10. **Cathy Delaney**, Senior Lecturer in the Division of Geography & Environmental Management, Manchester Metropolitan University. Talk title: "What do eskers tell us about ice sheets?"

Nov 17. **Benjamin Thebaudeau**, Postdoctoral Researcher in the Irish Climate Analysis and Research Unit, Maynooth University. Talk title: "Mapping the Porcupine Bank and reconstructing its past."

Dec 1. **Easkey Britton**, Research Fellow at the Whitaker Institute, NUI Galway. Talk title: "From moments to movements: tracking the rise of surfing for social good."

Dec 8. **Justin Gleeson**, Director of the All-Island Research Observatory, Maynooth University. Talk title: "AIRO: Mapping for policy and practice in Ireland."

Semester Two:

Feb 16. **Philip Steinberg**, Professor in the Department of Geography, Durham University. Talk title: "Mapping Ice: Ontological Stability and Geophysical Dynamism in the Northern Nomosphere."

Mar 2. **Rezvan Moghaddam**, Scholar at risk and lecturer in Sociology and Gender Studies, Maynooth University. Talk title: "Overview of the women's movement in Iran and experience as a scholar at risk."

Mar 9. **Rory Hearne**, TASC and Maynooth University and the Irish Housing Network. Talk title: "A Housing Crisis Without End? Insights from Policy and Direct Action."

Mar 23. **Stuart Elden**, Professor of Political Theory and Geography, Warwick University. Talk title: "Terrain."

Mar 30. **Patrick Belmont**, Associate Professor in the Department of Watershed Sciences, Utah State University. Talk title: "Amplification and Damping of Water, Sediment and Nutrient Fluxes in Intensively Managed Landscapes."

Apr 6. **Martin Charlton**, Senior Research Associate, National Centre for Geocomputation, Maynooth University. Talk title: "Gehlke and Biehl Revisited."

Apr 27. **Claire Mercer**, Associate Professor of Human Geography, Department of Geography and Environment, London School of Economics. Talk title: "Bringing the rural back in: postcolonial suburbs in Dar es Salaam, Tanzania."

All seminars will be held from 4:00 to 5.30pm in the Rocque Lab, ground floor of Rhetoric House, South Campus, Maynooth University.

YOU ARE WELCOME TO COME ALONG!
