

Applying for a Maynooth University Taught Masters Scholarship

1) Start your Taught Master's course application

Visit [Maynooth University PAC](https://v2.pac.ie/institute/2) (<https://v2.pac.ie/institute/2>) and search for the course you want to apply for

The screenshot shows the Maynooth University PAC website. The header includes the PAC logo (Processing Applications in the Cloud) and navigation links for HOME, INSTITUTIONS, REGISTER, LOGIN, and HELP. The main content area features a banner image of students and a search box titled "FIND A COURSE". The search box has filters for Availability (Open courses only), Type (Any), and Department (Any). Below the search box is a "SEARCH" button and a link to "Frequently Asked Questions".

Covid-19 Communication
In light of Covid-19, PAC will be dealing with all your queries via email. If you have any queries or require assistance please email pachelp@pac.ie

At Maynooth it is the individual that matters. For your postgraduate studies, our small class sizes and one-to-one guidance from senior lecturers and global researchers will challenge and inspire you. You can also contact the Graduate Studies Office for any one-to-one advice and support you might need. You will be joining the 20% of the Maynooth University student population who are undertaking Masters, Diplomas or Research programmes, working and studying towards their personal or professional development goals in a supportive academic teaching and learning environment.

If you wish to apply to the John & Pat Hume Doctoral Awards, please click [here](#).

If you wish to apply for a Professional Skills course, please click [here](#).

Our Taught Masters Scholarships are now open! Please click [here](#) for further information.

If you wish to apply for a Sports Scholarship, please click [here](#).

If you would like to apply for one of our NUI Certificate courses, please select "Continuing Education" in the Course search box and enter the name of the course you would like to apply for e.g. Addiction Studies, Disability Studies, etc. Full details for each Part-Time Continuing Education Certificate programme on offer in Maynooth University

2) Set up your PAC account, or login to your existing PAC account, to start your application

Before your register/log in

The screenshot shows a search result for "MSc in Data Science and Analytics MHR64". The result includes a "Prospectus" button, an "Info" button, and a "Register to Apply" button. The course is listed as "Closes: 30th June 2021 | 11:59 pm" and is "Taught" and "Full time".

After you register/log in

The screenshot shows the same search result for "MSc in Data Science and Analytics MHR64". The "Register to Apply" button has been replaced by a green "Apply" button, indicating that the user is now logged in and ready to apply.

3) Complete your application by filling in all of the necessary information

Use this secure online application. All applicants are welcome and encouraged to apply. Should you have any questions as you complete the application process, please contact PAC at pachelp@pac.ie or +353 91 549260. A non-refundable application fee of €50 must be submitted with the completed application form.

The screenshot shows the 'Application' page for 'MHR64 Unsubmitted'. The course title is 'MSc in Data Science and Analytics'. A description states it is a 12-month conversion course. The 'Pages' sidebar on the left includes 'Biographical', 'Academic History', 'References', 'Professional Experience', and 'Additional'. The main content area has a heading 'Please answer all questions marked with an *' and three questions with radio button options: 'Do you have EU Citizenship?', 'Are you currently or have you previously been a student at Maynooth University?', and 'Title' (a dropdown menu).

4) Indicate on your application that you would like to apply for the Taught Master's Scholarship and/or the Taught Master's Access Scholarship

When you get to the **Supplementary Questions** section of your application, indicate that you would like to apply for one or both of our Taught Master's scholarships. You can visit <https://www.maynoothuniversity.ie/study-maynooth/postgraduate-studies/fees-funding-scholarships/taught-masters-scholarships> for further information on our scholarships

The screenshot shows the 'Application' page for 'MHR64 Unsubmitted', specifically the 'Supplementary Questions' section. The course title is 'MSc in Data Science and Analytics'. The 'Pages' sidebar on the left includes 'Professional Experience', 'Additional Information', 'Upload', and 'Supplementary Questions'. The main content area has two questions with radio button options: 'Do you want to apply for our Taught Master's Scholarship?' and 'Do you want to apply for our Taught Master's Access Scholarship?'. Each question includes a link for further information: <https://www.maynoothuniversity.ie/study-maynooth/postgraduate-studies/fees-funding-scholarships/taught-masters-scholarships>. A 'Previous' button is visible at the bottom left.

5) *Submit your application!*

When you have completed your application, you can submit it.

If you answered **Yes** to applying for our Taught Master's scholarships, you will have applied for both the course and for a Taught Master's scholarship for that course.

Use this secure online application. All applicants are welcome and encouraged to apply. Should you have any questions as you complete the application process, please contact PAC at pachelp@pac.ie or +353 91 549260. A non-refundable application fee of €50 must be submitted with the completed application form.
